

# GIFT OF THE EARTH

Earn a free 15 mL of Frankincense by placing ANY single 200 PV order from December 1 through December 31 2017.

Limit four per account, per household

## How to Earn

- All orders must be placed and processed by December 31, by 11:59 PM MT to receive the free product.
- Any single order (enrollment, one-time, loyalty rewards) that has 200 PV or more will automatically receive the free Frankincense.
- Orders placed outside the qualifying time period (December 1–31, 2017) will not receive the free product.
- Orders below the 200 PV requirement will not receive the free product.
- PV is not equal to the cost of an order. Before completing an order, the individual ordering must verify that the order is at least 200 PV.
- A single 200 PV order can only qualify for one promotional offer. If an individual would like to earn the offer up to four times, they must place four separate 200 PV orders.
- Retail Customers and Wholesale Customers can qualify for the promotion by ensuring their order is at least 200 PV.
- Any orders or items returned that result in the order going below the 200 PV requirement will have to return the free product or the product will be charged on the members account.

## Loyalty Rewards Orders

Qualifying LRP orders set to process in December will have the free item appear on the LRP template if the order is set for 200 PV or more. Once the account has hit the limit (4 per account), the free item will no longer appear on the LRP template.

I.e. Your order is set for Dec 10th, your free item will appear on the template (until you have hit the 4 per account limit) and also on the order invoice on Dec 10th, when the order actually processes.

Please note:

- You do not manually add the free item to your order
- If you manually add the free item to your order, it will not come up as free (even if your order is 200 PV or more)

\*If you choose to click on “Review and Process Today” on your Loyalty Order, the free item will appear on the order review page.

## One-Time Orders and Enrollment Orders

The free item should appear on the order at checkout as long as it is 200 PV. If the free item is not showing up, please check the PV total on your order.
